A Message from the Atlantic County Executive

I recognize that the price of prescription drugs is of major concern, not only to our senior citizens, but to residents of all ages, especially those with limited incomes.

As a County, it's beyond our ability to legislate change in this area, but the County can do something to ease the burden on our own residents.

That's why we've approved the Atlantic County Resident Prescription Savings Program. The Prescription Savings Card that accompanies this program will provide Atlantic County residents and their dependents (living in the same household) a discount of up to 10% to 50% off retail prices on all prescription drugs. All that is required is a completed application form, proof of residency and a small annual fee of \$20 per household (\$40 for 3 years). Please read this brochure carefully for details.

The Atlantic County Resident Prescription Savings Card is accepted at thousands of participating pharmacies, both local and nationwide. An application form is provided here for your convenience. For further information, please call the toll-free customer service number below.

IMPORTANT

(PLEASE READ)

- The Prescription Savings Card is a discount savings card and not a managed care or a supplemental insurance program.

- The Prescription Savings Card membership fee is non-refundable.

Please allow 10 to 14 business days for your application to be processed and your Prescription Savings Card to be mailed to your home.
