

Atlantic County Teen Arts 2010

Teen Arts is a one-day event where teens from all corners of Atlantic County and its environs convene to perform and exhibit and take hands-on workshops and master classes in the visual, performing, literary, and media arts. The program offers unique opportunities for positive interaction with professionals in the field, as well as with peers from other parts of the community.

FESTIVAL DATE: May 12, 2010

FESTIVAL LOCATION: Richard Stockton College of NJ

REGISTRATION DEADLINE: April 7, 2010

Online applications available: March 1, 2010 at www.aclink.org/culturalaffairs.

Due to an increase in costs to put on the Festival and a reduction in outside funding sources, we have found it necessary to raise the cost of participation. We feel it's still within reason, and to put this into perspective, participation fees in other parts of New Jersey begin at \$300.

REGISTRATION FEE:

Up to 50 students:	\$50 per school	\$70 per out of county school
51-100 students	\$75 per school	\$95 per out of county school
101-200 students	\$95 per school	\$120 per out of county school
Individual:	\$10 per Atlantic County teen	\$15 per out of county teen
